

Banana Bread in a Bread Machine

Ingredients:

- 2 eggs
- 1/3 cup butter – cold and sliced
- 1/8 cup milk
- 3 bananas – sliced
- 1- 1/3 cup flour
- 2/3 cup sugar
- 1 – 1/4 teaspoon baking powder
- 1/2 teaspoon baking soda
- 1/2 teaspoon salt

1. Put all ingredients into the bread machine, in order. Make sure your butter is cold and thinly sliced. Also, thinly slice your bananas.
2. Use the quick bread setting for your machine. Scrape the flour off the sides, as to make sure it mixes well, while the machine is mixing everything. Once it is done mixing, let the machine do the rest.
